

We keep the Automotive Industry running: Dynamically, efficiently and innovatively

For more than 10 years now, Modix is the number one in digital marketing of automobiles and offers manufacturers and dealers solutions for online sales and marketing worldwide. We are part of the US-based Cox Group and can rely on the network and possibilities of an international enterprise and combine this with the flexibility and individual support of a company under owner management.

Become a part of our team PHP Developer (m/f/d)

This is where you work!
