

We keep the Automotive Industry running: dynamically, efficiently und innovatively

Modix has been on the market for over 20 years and is the Europe-wide leader in solutions for vehicle sales. Manheim Express is a brand of the German Modix GmbH. As a B2B auction platform for used vehicles, Manheim Express offers a wide range of services related to the used vehicle trade and is one of the most innovative companies on the market with digital solutions.

We are part of the US-based Cox Group and can rely on the network and possibilities of an international enterprise and combine this with the flexibility and individual support of a company under owner management.

Become part of the team

Sales Agent-Trade Desk (m/w/d) – Manheim Express Belgium

This is where you work!

- Our Manheim Express customer support team is in the process of being built up to get customers excited about our newly developed B2B product.
