

Connecting customers, automotive brands and retailers globally

We deliver solutions that transform businesses

Modix has been on the market for over 20 years and is the Europe-wide leader in solutions for vehicle sales.

We are part of the US-based Cox Group, which is under owner management, offering both the benefits of being an international enterprise as well as being a flexible and supportive company.

Join our team as

Account Manager – Automotive (m/f/d)

This is where you work

- Centrally located in Koblenz or from your home office, you will support our OEM customers and drive their digital projects forward.
- Our account managers are generalists with a focus on activities, it's a powerful team.
- We make customers happy by realizing high-quality website projects.
- Systematic employee qualification and development, as well as mutual support, are very important to us.

This is what you do

- You are the first point of contact for the needs, wishes and problems of our OEM customers as well as the interface between the Modix departments to drive their digital projects forward.
- You work closely with your colleagues to ensure the flow of information and identify upselling potential.
- You evaluate the website performance of the customers with the help of analysis tools.
- You regularly attend to client meetings.
- You conduct workshops with OEMs and agencies.
- You create presentations, reports and designs for our customers.

These are your abilities

- Successfully completed vocational training or university degree with a commercial, IT, media, or marketing focus.
- First professional experience in a similar field of work
- Strong social-communicative skills
- Project experience is advantageous
- Good time management and self-organisation

Digital. Automotive. Performance.

- Very good knowledge of German and English, both written and spoken
- Knowledge of Microsoft Office
- Knowledge of Atlassian JIRA, Confluence and Microsoft CRM an advantage
- Affinity with online marketing and the automotive trade desirable
- good opportunity to start your career in this position!

This is what we offer!

- Personal development and regular trainings
- Chances of promotion in an innovative company
- Trust-based working hours
- Optimal Equipment
- Regularly held employee events
- Free parking
- Pioneer spirit and joy on the job in a technology-minded team
